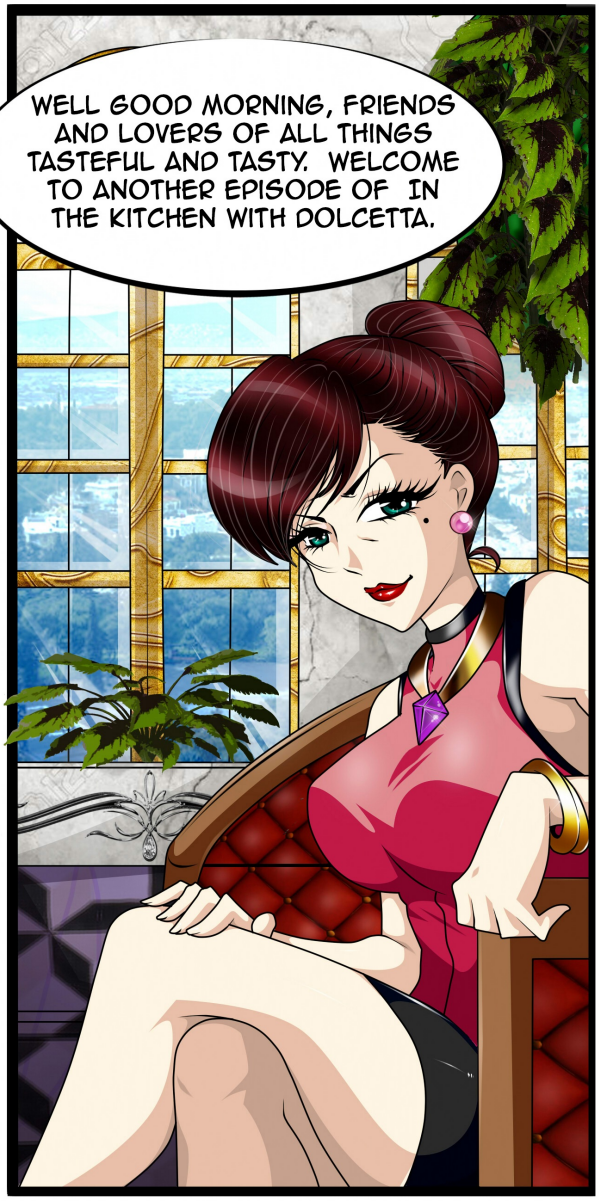
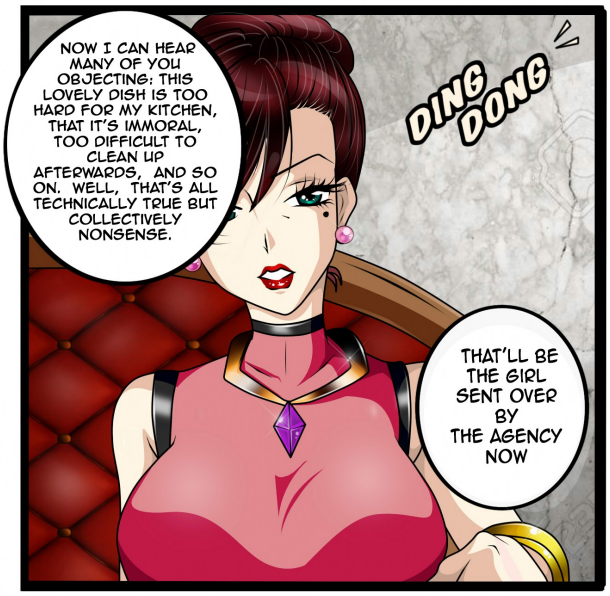
IN THE KITCHEN
WITH
DOLCETTA



WELL GOOD MORNING, FRIENDS AND LOVERS OF ALL THINGS TASTEFUL AND TASTY. WELCOME TO ANOTHER EPISODE OF IN THE KITCHEN WITH DOLCETTA.

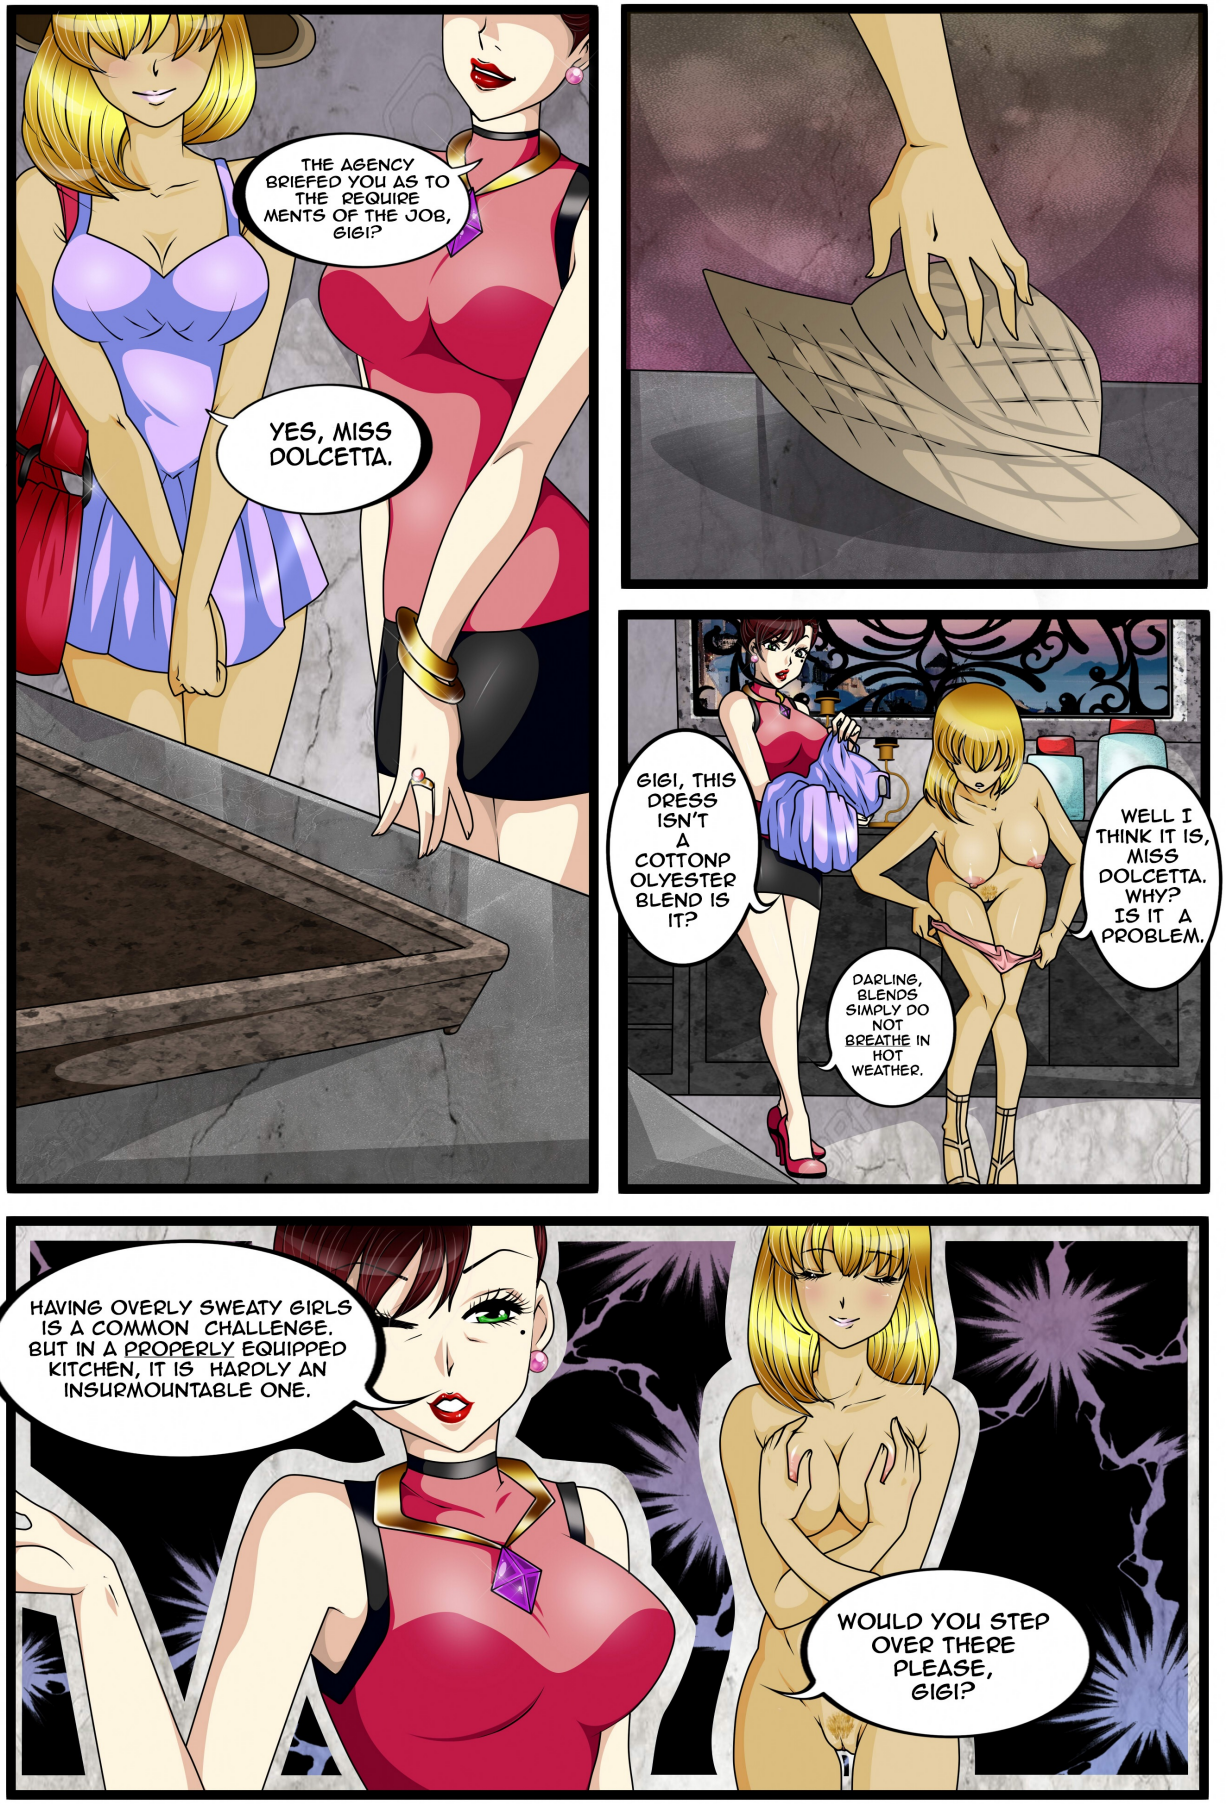
TODAY WE'RE GOING TO SEE HOW TO PREPARE A VERY SPECIAL MAIN COURSE, FOR THOSE SPECIAL OCCASIONS WHEN YOU HAVE TO ENTERTAIN A LARGE CROWD OF SPECIAL PEOPLE.
WE'RE GOING TO MAKE WHOLE ROAST NUBILE!



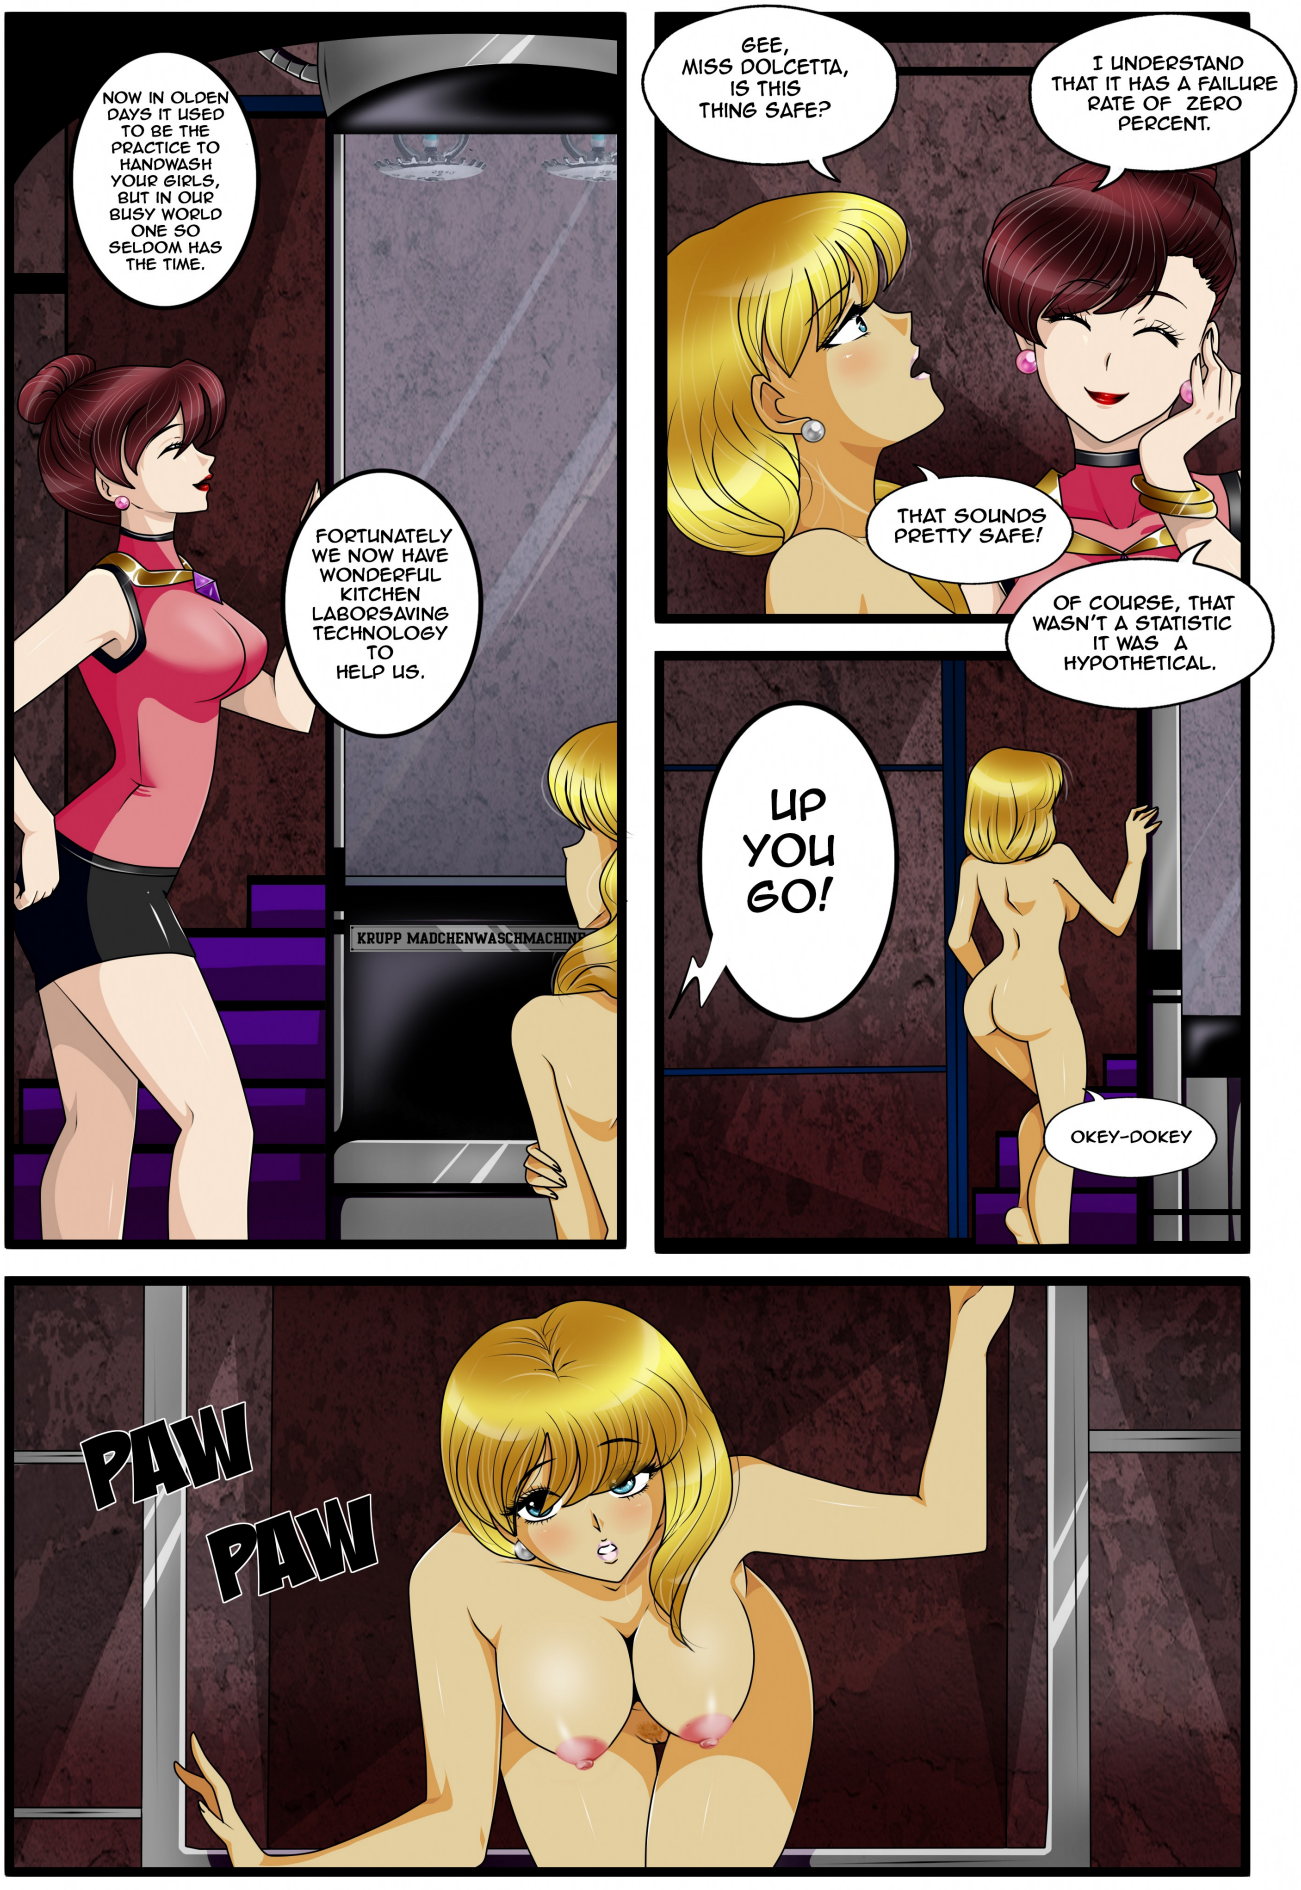
NOW I CAN HEAR MANY OF YOU OBJECTING: THIS LOVELY DISH IS TOO HARD FOR MY KITCHEN, THAT IT'S IMMORAL, TOO DIFFICULT TO CLEAN UP AFTERWARDS, AND SO ON. WELL, THAT'S ALL TECHNICALLY TRUE BUT COLLECTIVELY NONSENSE.
DING DONG
THAT'LL BE THE GIRL SENT OVER BY THE AGENCY NOW

MISS DOLCETTA? I'M GIGI.
OF COURSE YOU ARE DEAR.
I'VE BEEN EXPECTING YOU.
YOU'RE RIGHT ON TIME.
LET'S STEP INTO THE KITCHEN.

WOW!
THIS KITCHEN IS REALLY SOMETHING.
IT REALLY IS LOVELY, ISN'T IT?
❤

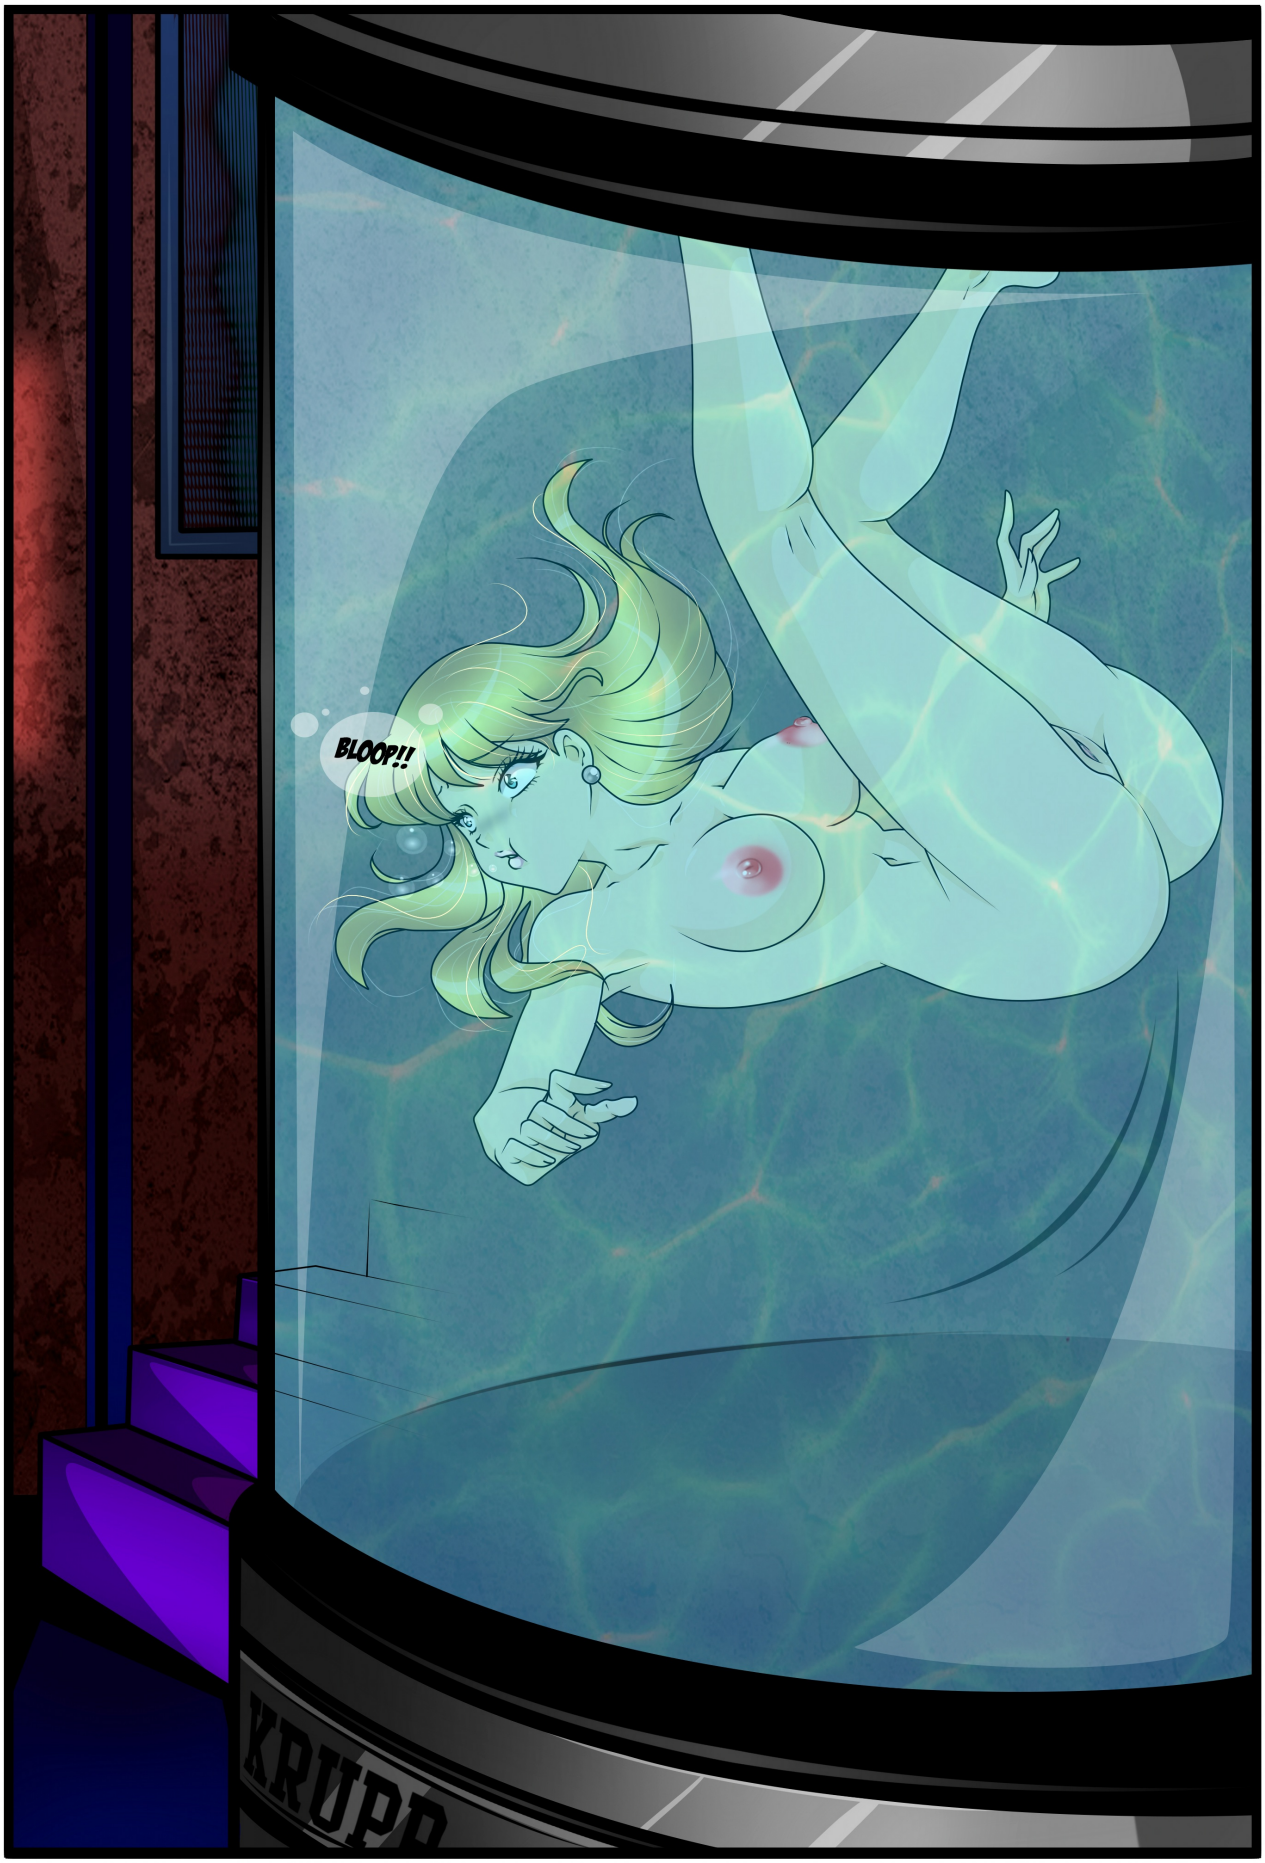


THE AGENCY BRIEFED YOU AS TO THE REQUIRE MENTS OF THE JOB, GIGI?
YES, MISS DOLCETTA.
GIGI, THIS DRESS ISN'T A COTTONP OLYESTER BLEND IS IT?
DARLING, BLENDS SIMPLY DO NOT BREATHE IN HOT WEATHER.
WELL I THINK IT IS, MISS DOLCETTA. WHY? IS IT A PROBLEM.
HAVING OVERLY SWEATY GIRLS IS A COMMON CHALLENGE. BUT IN A PROPERLY EQUIPPED KITCHEN, IT IS HARDLY AN INSURMOUNTABLE ONE.
WOULD YOU STEP OVER THERE PLEASE, GIGI?



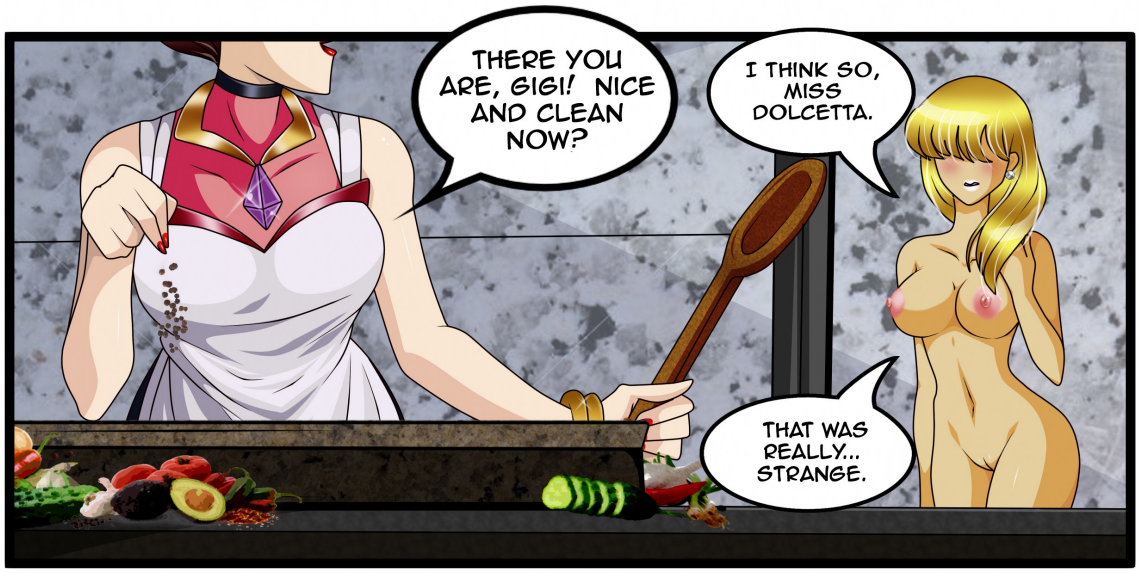
NOW IN OLDEN DAYS IT USED TO BE THE PRACTICE TO HANDWASH YOUR GIRLS, BUT IN OUR BUSY WORLD ONE SO SELDOM HAS THE TIME.
FORTUNATELY WE NOW HAVE WONDERFUL KITCHEN LABORSAVING TECHNOLOGY TO HELP US.
KRUPP MADCHENWASCHMACHINE
GEE, MISS DOLCETTA, IS THIS THING SAFE?
I UNDERSTAND THAT IT HAS A FAILURE RATE OF ZERO PERCENT.
THAT SOUNDS PRETTY SAFE!
OF COURSE, THAT WASN'T A STATISTIC IT WAS A HYPOTHETICAL.
UP YOU GO!
OKEY-DOKEY
PAW
PAW

TIC
SHAVE / WASH / DRY SEQUENCE
AK!
ZZZZZZT
OH!
UH OH!

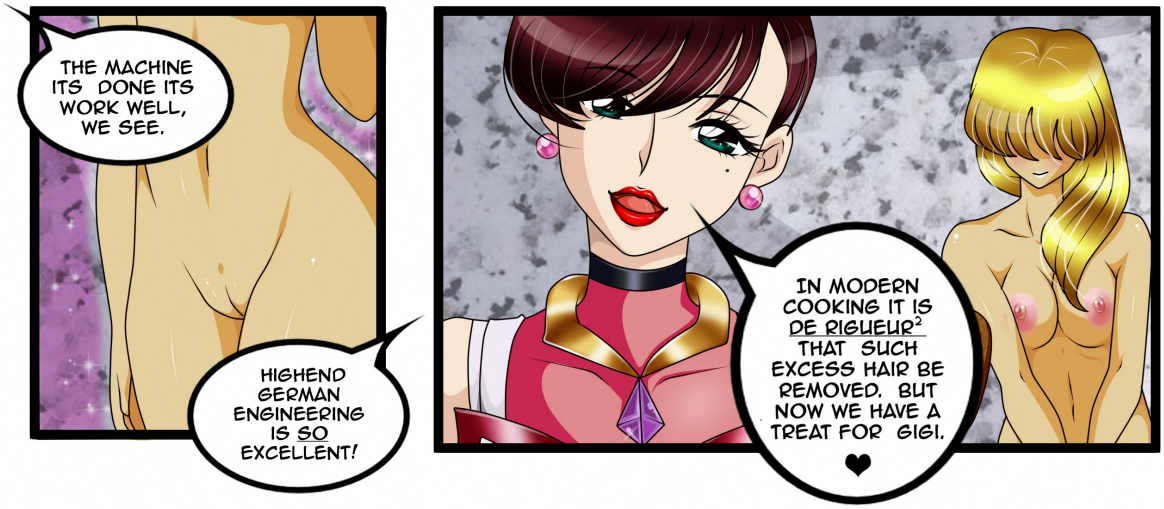


BLOOP!!
KRUPP

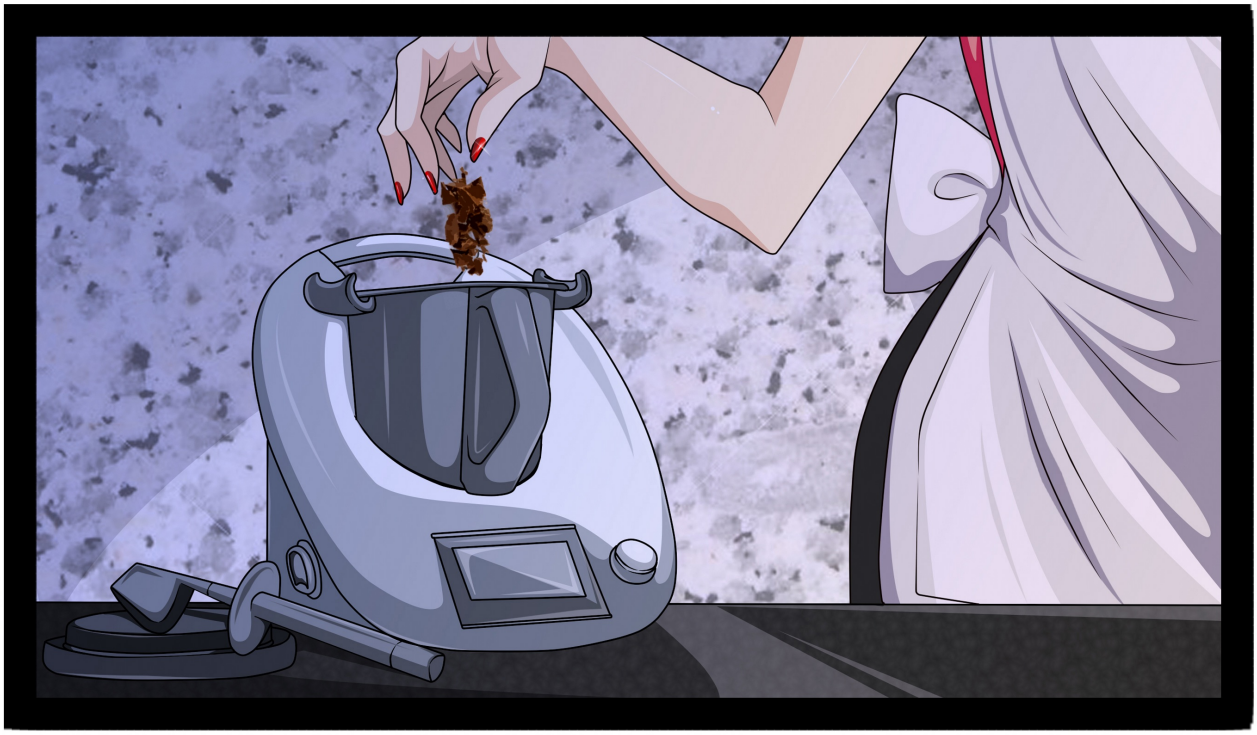
WHILE WE'RE GETTING GIGI NICE AND CLEAN LET'S TURN OUT ATTENTION TO SOME OF THE SAUCES, SHALL WE?
NOW MICHELIN THREESTAR CHEF GUILLAME DE L'IDIOT HAS INSISTED THAT SAFFRON RICE IS THE BEST BED FOR ROAST NUBILE. BUT LET'S ASSUME FOR THE NONCE THAT HE WAS WRONG. I'M SUBSTITUTING THIS BED OF ARTISANAL TUNISIAN COUSCOUS ACCENTED WITH ESSENCE OF TRUFFLES.
HERE'S WE'RE MAKING A GLAZE FOR GIGI. I FIND THAT THE ADDITION OF FORAGED STEVIA LEAVES A REDUCTION OF SUSTAINABLYSOURCED GOJI BERRIES VERY MUCH IMPROVES THE UNDERLYING FLAVOR.
PRESENTATION VEGETABLES ARE VERY IMPORTANT IN THIS DISH. THE COLOR OF THESE HANDHARVESTED WATERMELON RADISHES WILL COMPLEMENT GIGI VERY NICELY.



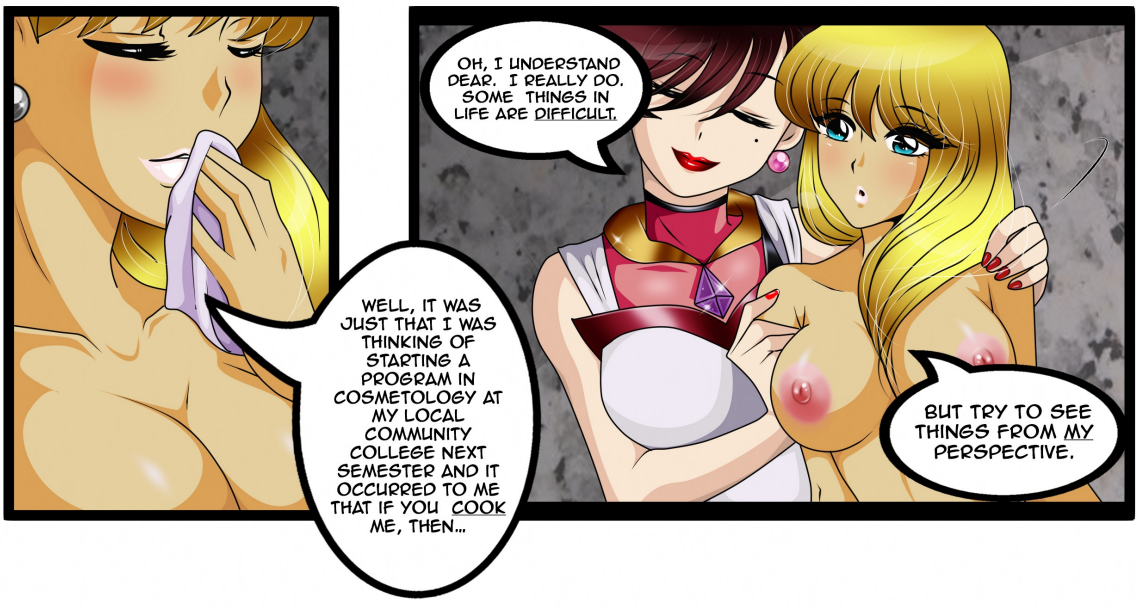
THERE YOU ARE, GIGI! NICE AND CLEAN NOW?
I THINK SO, MISS DOLCETTA.
THAT WAS REALLY... STRANGE.



THE MACHINE ITS DONE ITS WORK WELL, WE SEE.
HIGHEND GERMAN ENGINEERING IS SO EXCELLENT!
IN MODERN COOKING IT IS DE RIGUEUR² THAT SUCH EXCESS HAIR BE REMOVED. BUT NOW WE HAVE A TREAT FOR GIGI.



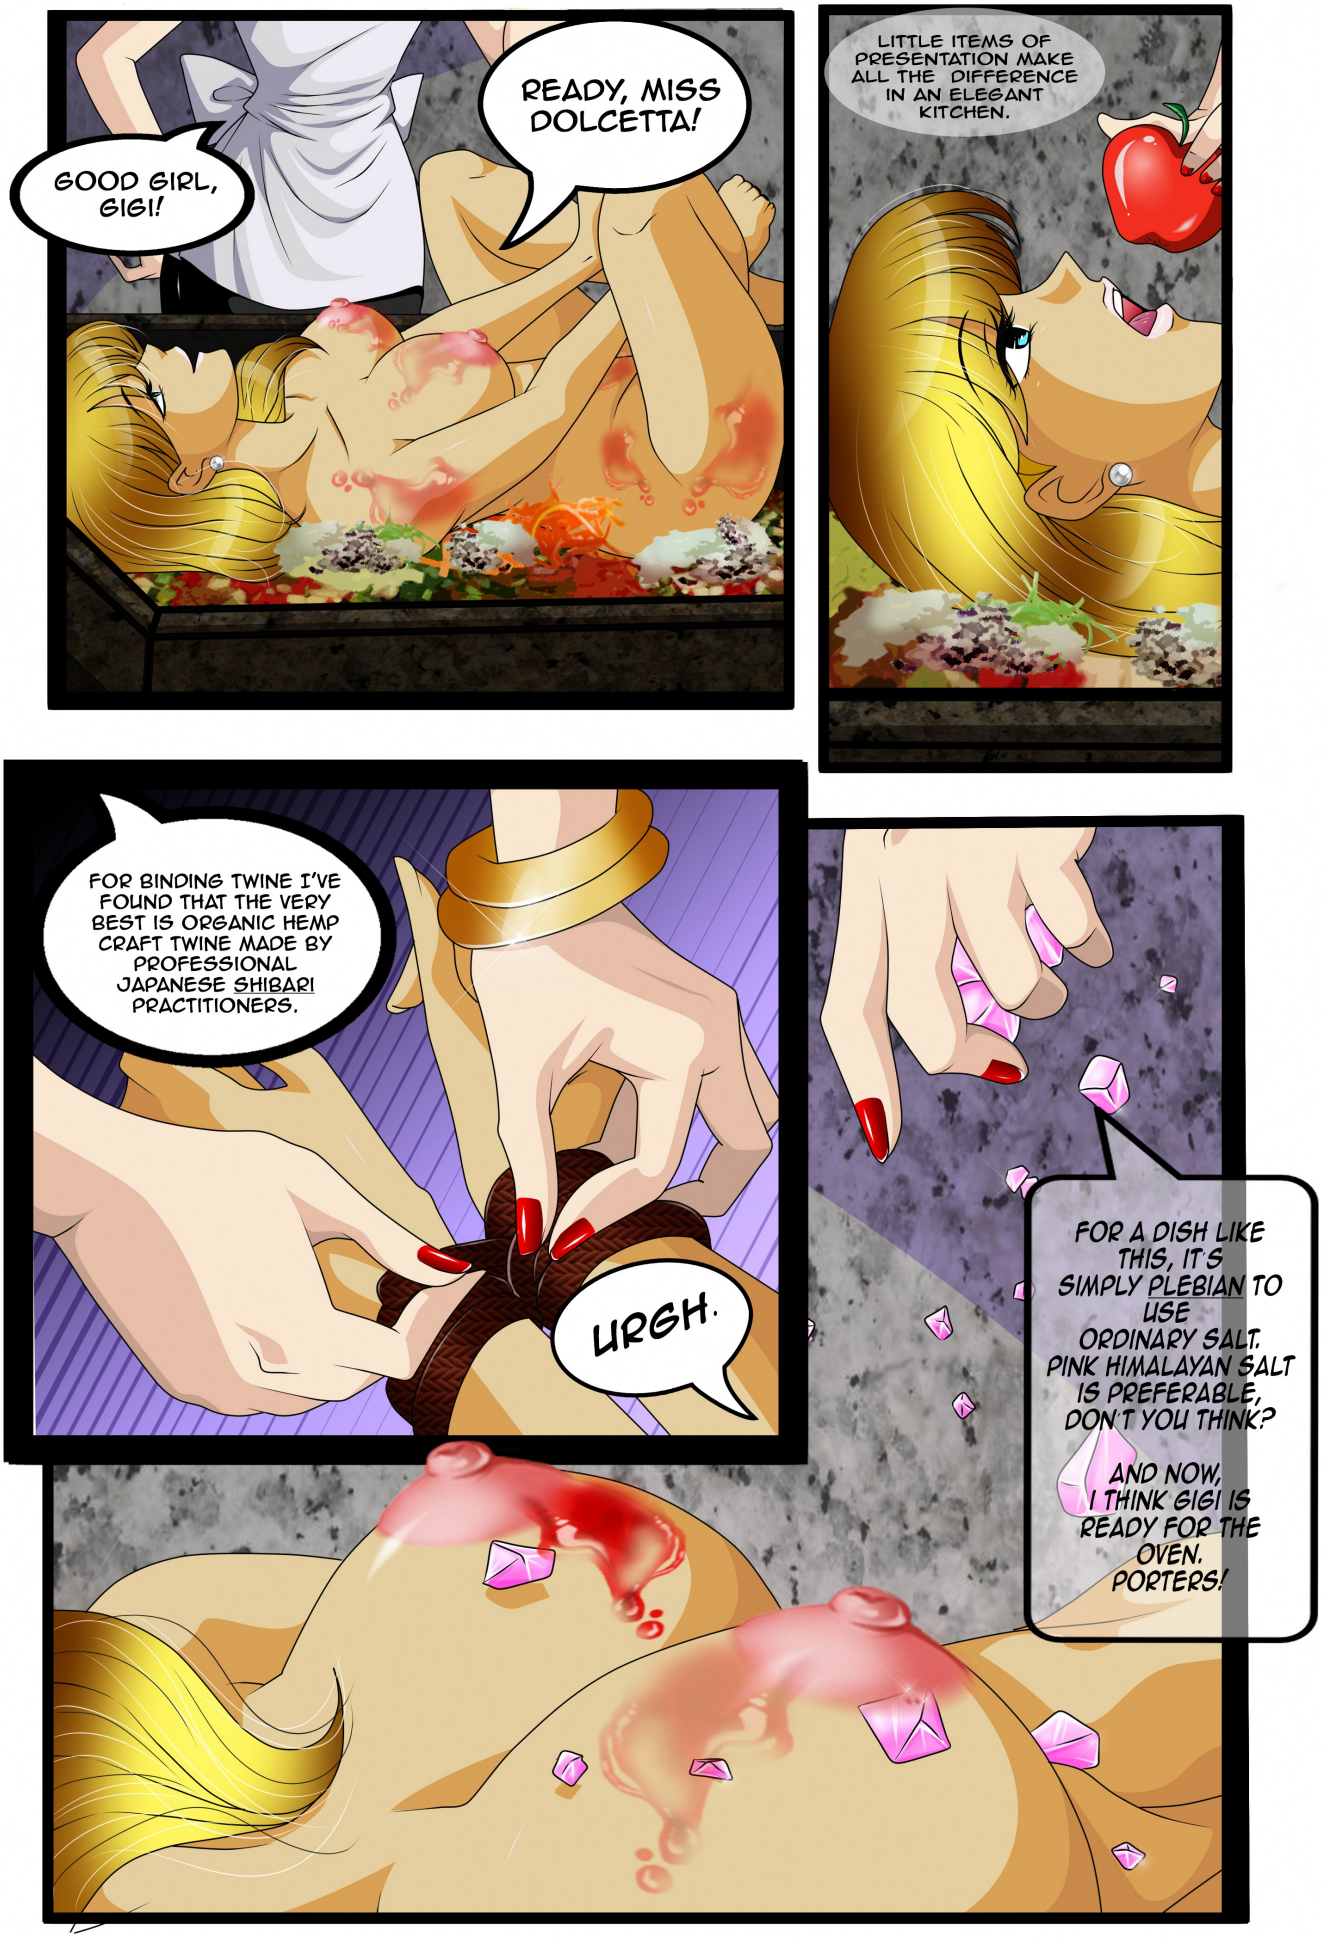
MMM...THIS IS DELICIOUS.
DRINK ALL YOU CAN, MIMI.
MEANWHILE WE CAN FINISH LAYERING THIS PLATTER WITH SOME FINE PSKEM RIVER GARLIC – AND YOU SHOULD ACCEPT NO SUBSTITUTE, ONLY THAT WHICH COMES FROM UZBEKISTAN WILL REALLY DO, AND...
IT WILL MAKE YOU ALL THE MORE INTO A DELICACY.
UMM, MISS DOLCETTA...?



OH, I UNDERSTAND DEAR. I REALLY DO. SOME THINGS IN LIFE ARE DIFFICULT.
WELL, IT WAS JUST THAT I WAS THINKING OF STARTING A PROGRAM IN COSMETOLOGY AT MY LOCAL COMMUNITY COLLEGE NEXT SEMESTER AND IT OCCURRED TO ME THAT IF YOU COOK ME, THEN...
BUT TRY TO SEE THINGS FROM MY PERSPECTIVE.

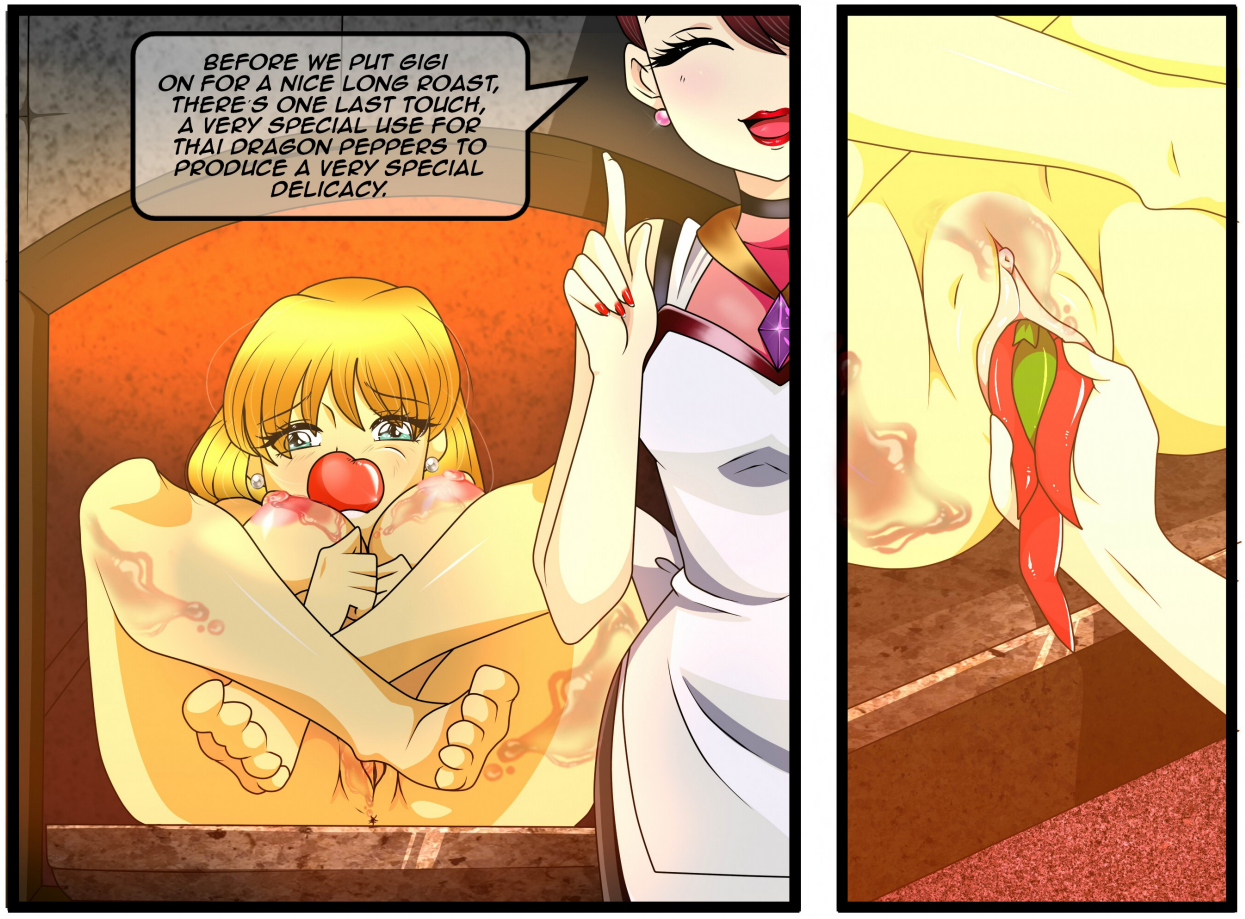
WE'RE HAVING A LOT OF RICH AND IMPORTANT PEOPLE OVER FOR DINNER TONIGHT, AND THEY'RE LOOKING FORWARD TO A GOOD MEAL.
IMAGINE WHAT WOULD HAPPEN TO SOCIETY IF RICH AND IMPORTANT PEOPLE COULDN'T GET WHAT THEY WANTED. EVERYTHING WOULD FALL APART. IT WOULD BE CHAOS!
PAT
PAT
BANG!
GEE, MISS DOLCETTA. WHEN YOU EXPLAIN IT LIKE THAT IT IS SO MUCH CLEARER!
YOU SEE? IT'S NOT SO BAD. NOW JUST STEP OVER HERE.
TAP
TAP

JI JI...
NOW LET'S GET YOU GLAZED.
OOOH!
PLAF
PLAF
PLAF
PLAF
AH!
OH HO..OH...OH ...!
PLAF
PLAF
UP ON THE PLATTER NOW!

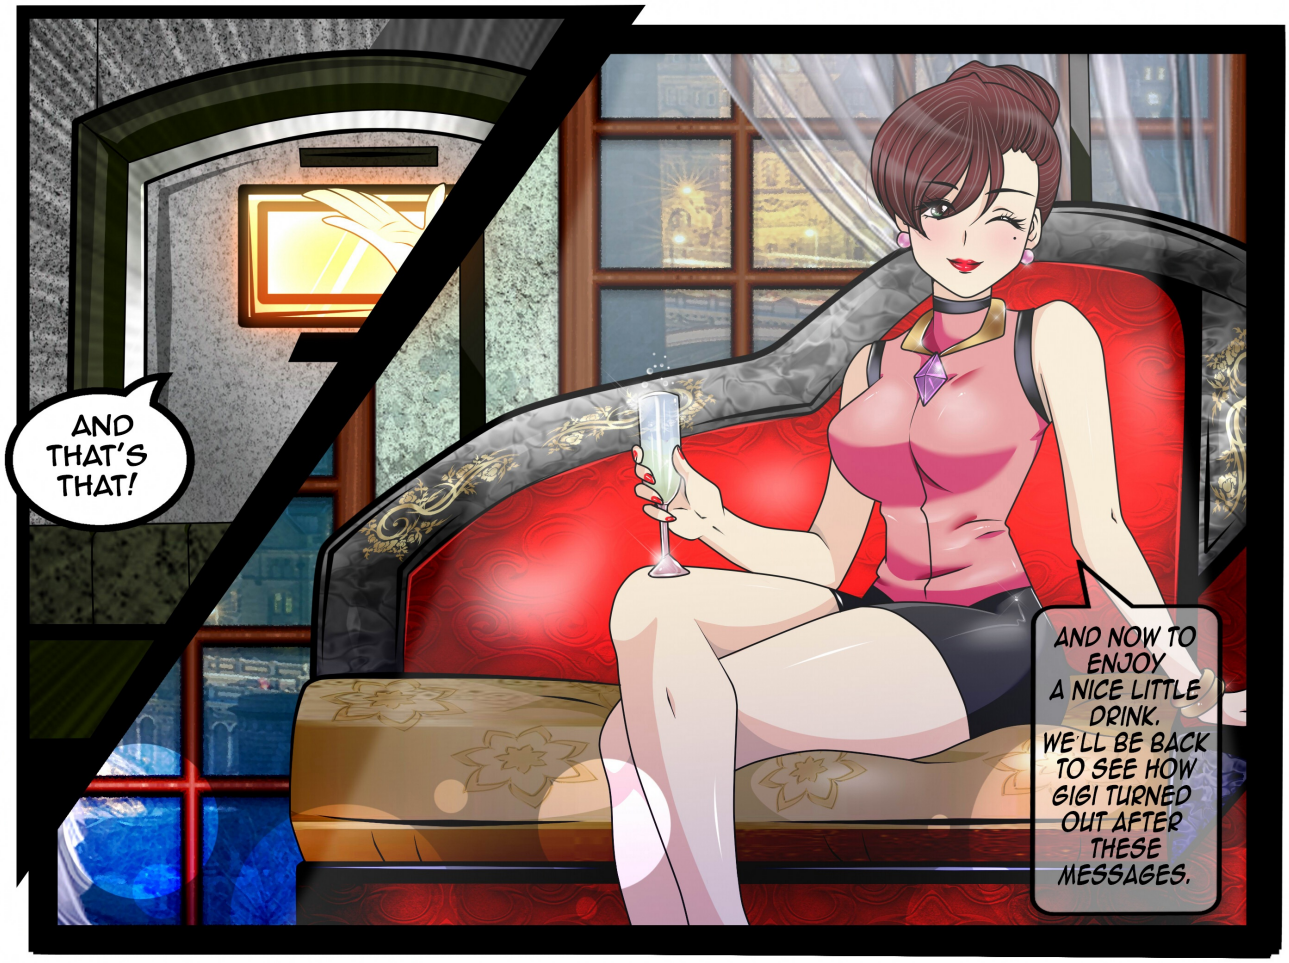


READY, MISS DOLCETTA!
GOOD GIRL, GIGI!
LITTLE ITEMS OF PRESENTATION MAKE ALL THE DIFFERENCE IN AN ELEGANT KITCHEN.
FOR BINDING TWINE I'VE FOUND THAT THE VERY BEST IS ORGANIC HEMP CRAFT TWINE MADE BY PROFESSIONAL JAPANESE SHIBARI PRACTITIONERS.
URGH.
FOR A DISH LIKE THIS, IT'S SIMPLY PLEBIAN TO USE ORDINARY SALT. PINK HIMALAYAN SALT IS PREFERABLE, DON'T YOU THINK?
AND NOW, I THINK GIGI IS READY FOR THE OVEN. PORTERS!

ISN'T SHE JUST LOVELY, LADIES AND GENTLEMEN?



BEFORE WE PUT GIGI ON FOR A NICE LONG ROAST, THERE'S ONE LAST TOUCH, A VERY SPECIAL USE FOR THAI DRAGON PEPPERS TO PRODUCE A VERY SPECIAL DELICACY.



AND THAT'S THAT!
AND NOW TO ENJOY A NICE LITTLE DRINK. WE'LL BE BACK TO SEE HOW GIGI TURNED OUT AFTER THESE MESSAGES.
